Nurturing a Sustainable Future

At GIIS Ahmedabad, we have been steadfast in our commitment to nurturing a sustainable future. Throughout the year, we've organized various initiatives aimed at raising environmental awareness and promoting eco-friendly practices. From Earth Day festivities to innovative recycling initiatives, we have witnessed the transformative power of environmental stewardship in action. Our students have actively participated in these efforts, making a tangible difference not only in our local community but also beyond.

Embracing Earth's Vitality

We celebrated Earth Day as part of our ongoing efforts to educate children about the importance of our planet. This day serves as a platform to raise awareness about crucial issues such as saving the Earth, addressing climate change, and promoting sustainability. The Earth Day festivities were a highlight of our school's Green Initiative I-care Programme. During this celebration, students engaged in various activities like poster-making, slogan writing, and creative writing, all aimed at fostering a deeper understanding of environmental conservation.

Fostering Compassionate Citizens

We have always been dedicated to providing quality education and nurturing compassionate citizens. During Good Citizenship Week, our pre-primary wing organised activities aimed at educating students about the qualities of a good citizen. Through stories, videos, and presentations, students learnt about respecting others, adhering to traffic rules, and practicing gratitude. These initiatives instill essential values in our students, preparing them to become responsible members of society.

Nourishing the Body and Mind

Nutrition plays a vital role in maintaining a healthy lifestyle. To promote awareness about the importance of nutritious food, we organised Healthy Zen Week. This initiative aimed to emphasise the significance of a healthy diet for children's physical and mental well-being. Through workshops and discussions, students learnt about the negative impact of fast food and the benefits of adopting healthier eating habits.

Pioneering Plastic - Free Futures

As a signatory of the UN Sustainable Development Goals, we took the initiative to raise awareness about environmental protection through our 'No Plastic Week'. This initiative aimed to sensitise students about the hazards of plastic pollution and promote sustainable alternatives. Through a range of activities, students learned about the pressing environmental issues and explored solutions to reduce plastic waste.

Cultivating Harmony and Understanding

We observed World Peace Day as a reminder of the importance of peace and unity in our world. Through various activities like art projects and creative writing prompts, students explored the values of peace and harmony. These initiatives aimed to foster emotional connections and promote universal peace among our students, instilling in them a sense of empathy and brotherhood.

Planting Seeds of Change

In a remarkable display of teamwork, our students participated in a plantation drive to contribute to a greener future. Aligned with the United Nations Sustainable Development Goals, this initiative aimed to create awareness about environmental preservation and encourage collaborative action. Through planting saplings, students learned about the importance of conservation and ecological balance, paving the way for a more sustainable future.

Uniting in Spirit and Purpose

During Spirit Week, we organised a series of activities to foster a sense of belonging and unity among students. From collaborative projects to themed events, Spirit Week encouraged students to celebrate diversity and inclusivity. Through these initiatives, students learned the value of teamwork and cooperation, forging lifelong friendships and shared aspirations.

Preserving Nature's Bounty

To raise awareness for the protection of forests and wildlife, we organised 'Van Mahotsav'. This initiative aimed to sensitise students about the benefits of greenery in our environment. Students participated in various activities like plantation drives and seed-sowing to understand the importance of preserving green resources. The special assembly included speeches on the significance of 'Van Mahotsav', followed by prayers, daily reflections, cultural performances, and expressions of gratitude. Through these activities, students learned about the vital role of forests in maintaining ecological balance and promoting biodiversity.

Nurturing Environmental Champions

We believe in fostering environmental stewardship among our students from a young age. Through innovative programs like 'Zero Wastage of Paper' and 'Go Digital', we empowered our students to make sustainable choices and reduce their ecological footprint. From creating bottle-hanging gardens to sowing kitchen plants, our students actively embodied the principles of the UN Sustainable Development Goals, contributing to a greener, more sustainable future.

Spreading Joy

Through Giving

During the Joy of Giving Week, we celebrated the transformative power of generosity. Students and parents came together to spread smiles and bring happiness to those in need within our community. From contribution drives to clothing and food donations, our students exemplified empathy and solidarity. The Joy of Giving Week reflects our commitment to nurturing compassionate individuals capable of making a positive impact in the world.
