March,2022. net profit is shown Rs.27,39,873/- in the year 2021-22. The school had net loss Rs.1,27,30,643/- in the year 2022-23. The school had net loss Rs.1,49,45,887/-from 1st April 2023 to September-2023. **The profit has been deducted from two years net loss.** The total loss becomes Rs.2,49,36,873/-. If the total is divided by the total strength of the student 3454, it becomes Rs.7220/- per student. But the school is entitled for collection of two terms fees in a year and an admission fee in case of a new admission. So, the total loss can not be considered as it is per student. It will amount to exorbitant fee imposed on the student.

(4) The FRC is required to exercise the power conferred upon it in a very balanced manner so as to see that on one hand the school management is not deprived of the legitimate fees to be charged from the students and the students also should not suffer by paying exorbitant fees charged by the Self Financed School. The object of the Gujarat Self Financed Schools (Regulation of Fees) Act, 2017 is to prevent “**profiteering**” which is defined in Section-2(r). **According to the judgment of Hon’ble Gujarat High Court in SCA No.2356 of 2021 dtd.22.07.2022, the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission.** While determining the fees structure, it is always to be kept in mind that parents have high ambition to connect their children with reputed school and achieve modern and effective education which may lead their children towards a path of their great success in life. At the same time, it should be the expectation of all concerns from the leading institutions that they can always take care of expectations of others and provide the superb opportunity of studying in their institutions. In the previous fee determination order, the condition was that the school is not permitted to collect fees under any other head including under the head of Admission

Fee except one month fee by way of admission fee only in case of new admission and it was before the judgment of the Hon'ble High Court of Gujarat, SCA No.2356 of 2021 dtd.22.07.2022. But after the judgment of the Hon'ble High Court of Gujarat, **the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission.**

(5) Hence, considering the entire scenario of the school, the FRC has determined the just and fair fees **considering total income & expenditure of the school with projected income & expenditure for the academic year 2024-25 with the strength of the student and other relevant factors for determining the fee structure**, the FRC has determined fees for smooth running of the school as against the fees proposed by the school for Nursery, Kinder garden I, Kinder garden II & Std.1 to 10 and 11 & 12 (Gen. & Sci. both) (CBSE English Medium) as shown in below table.
